

## Sleepeeze Eco 1400 Mattress 3'0 Mattress

1000 premium traditional pocket springs that adapt independently, providing tailored comfort and support for every body shape. Embrace a natural and durable material that delivers consistent pressure relief during your slumber. Its inherent antimicrobial properties ensure a clean and hygienic sleeping environment. Experience the benefits of dust mite resistance, keeping allergens at bay, while ventilated channels enhance cooling airflow, regulating your body temperature for a healthier, more rejuvenating sleep. Effortlessly maintain your mattress with the convenience of a single-sided design. No need to turn it regularly, saving you precious time and effort. We repurpose a minimum of 286 plastic bottles recovered from oceans and diverted from landfills, transforming them into yarns and comfort fillings for a sustainable and eco-conscious mattress.
