

Aurora Elexus Rug 200cm x 290cm

The Elexus rug takes inspiration from the art deco designs of the 1920s and reimagines them for the modern world. Its large-scale geometric pattern, adorned with metallic gold, silver, and bronze accents on a neutral cream base, exudes contemporary chic. Crafted as a flat weave without compromising its visual impact, the Aurora Elexus Rug is the epitome of versatility. It effortlessly pairs with luxurious furnishings and glossy metal detailing, making it a statement piece in any room. With an 8mm pile height, this rug offers a comfortable and inviting underfoot experience, transforming your space into a haven of luxury and style. Machine woven to perfection, the Aurora Elexus Rug is a testament to quality and durability. It's a piece that promises both form and function.
