

## Louis Ghost by Philippe Starck Crystal Chair

Inspired by the Louis XV chair, reinterpreted for contemporary allure. Crafted from a single mould of injection-moulded polycarbonate, Louis Ghost boasts a bold design that captivates with its evanescent and crystalline image. Despite its delicate appearance, Louis Ghost is surprisingly sturdy, stable, and weather-resistant, making it ideal for both indoor and outdoor use. With enormous aesthetic appeal, Louis Ghost is a charismatic addition to any setting, be it a contemporary home or a professional environment.
