

A.I.- Artificial Intelligence by Philippe Starck Black chair

Step into a world where art meets technology, where shadows whisper sophistication. The Kartell A.I. Chair in black isn't just a chair, it's a sculpted ode to minimalism and cutting-edge design. Sustainability echoes in every line. Crafted from 100% recycled thermoplastic technopolymer, the black A.I. Chair is a statement of ecological consciousness. It's luxury with a lighter footprint, redefining design with a conscience. But beauty transcends the surface. This masterpiece of generative design boasts unyielding strength and surprising lightness. The black A.I. Chair infuses your space with elegance and a sense of modernity.
