

A.I.- Artificial Intelligence by Philippe Starck Green Chair

Sustainability whispers in every curve. Crafted from 100% recycled thermoplastic technopolymer, the A.I. Chair is a beacon of eco-conscious luxury. The algorithm-guided curves mould to your body like a verdant embrace, while the green paint job infuses your space with energy and personality. It's a conversation starter, a piece that sparks curiosity and speaks volumes about your discerning taste and commitment to the planet.
