

Tempur Pro Luxe 30cm SmartCool - Firm 90x190cm Single Mattress

Introducing TEMPUR Advanced Material, the heart of this mattress. This next-generation material offers 20% more pressure relief compared to its predecessor, meaning your body truly sinks in and experiences uninterrupted support . At 30cm thick , it packs the most TEMPUR Material ever offered in a Tempur mattress, translating to supremely deep pressure relief . Whether you're a back sleeper or an active individual needing deep muscle recovery, this thickness provides exceptional support for all sleep styles . Say goodbye to waking up hot and sweaty. The SmartCool cover technology acts as a cool-to-the-touch layer, actively wicking away excess heat to maintain a comfortable sleep temperature throughout the night.
