

Tempur Pro Luxe 30cm SmartCool - Firm 135x190cm Double Mattress

Introducing TEMPUR Advanced Material, the heart of this mattress. This next-generation material offers 20% more pressure relief compared to its predecessor, meaning your body truly sinks in and experiences uninterrupted support. At 30cm thick, it packs the most TEMPUR Material ever offered in a Tempur mattress, translating to supremely deep pressure relief. Whether you're a back sleeper or an active individual needing deep muscle recovery, this thickness provides exceptional support for all sleep styles. Share your sleep haven without compromising on rest. The mattress's outstanding motion absorption effectively isolates movement, so you won't feel your partner's tossing and turning. This makes it ideal for couples who value an undisturbed night's sleep together.
