

## TEMPUR Ardennes

The Tempur Ardennes Divan collection offers true versatility in design and storage. Available as a straightforward divan base, you can have the option of 4 drawers for those extra sheets, pillowcases etc, or an Ottoman which incorporates 4 gas pumps for ease of lifting the top base to reveal a huge storage area. The Tempur Ardennes also comes as an RF radio frequency Adjustable Divan for those seeking extra comfort and support at the touch of a button. This design is also available with drawers. With several colourways to choose from and three headboard designs, once you have chosen your Tempur mattress, co-ordinating your colours will complete your comfortable relaxing and dreamy new bedroom AND a relaxing, supportive nights sleep.
