

Brompton

With its feather-filled seat, back and bolster cushions, matching scatters and hardy hardwood frame, the British-built Brompton promises luxury and longevity. Tailored to the individual, this collection offers a wealth of customisations, including fixed or loose covers in a wide range of different fabric and leather upholsteries. There is also a choice of fibre or reflex hardcore foam* seat interiors, 104cm and 97cm depths and easy access bolt-on, bolt-off arms.* If these selections aren't enough to match your vision, bespoke options are also available. *this feature comes with an additional charge.
