

Stressless Arion High Back

One of the most versatile ranges in the Stressless by Ekornes collection, the Stressless Arion is available as a fully reclining 3 seater sofa, 2 seater sofa or chair, or as modular sections so you can achieve the seating arrangement you want. Build a corner unit or even a cinema unit, depending on your requirements. Sector tables are also available to give your sofa extra functionality. The range is available with a high or low back, with high backs featuring height adjustable headrests for maximum comfort. The Stressless patented Glide system allows you to adjust your seating position using only your body weight, while the Plus system provides excellent support for the neck and lumbar region. The Stressless Arion is available in a wide selection of leathers and fabrics with a range of attractive wood finishes.
