

G Plan Washington Leather

G Plan's Washington leather range is indulgently comfortable with clean, modern lines, a distinctive appearance and outstanding lumbar support. This sumptuous sofa collection boasts all of the features that make G Plan a household name. Sustainably sourced wood is situated in all load-bearing areas and its leathers are sourced from some of the finest tanneries the world over. Its upholstery is also second to none, so every Washington sofa bears the proud signature of its upholsterer. Handcrafted in Britain, the Washington is available in a broad selection of colourways, but its good looks are far from all it has to offer. Its premium quality foam and fibre cushion interiors offer lasting support while nine-gauge 'D' arc springs grant impressive durability. Not only this, but G Plan offer a 10 year frame and spring guarantee, providing extra peace of mind.
