

Ercol Marino

Made in the UK, the Ercol Marino is an exceptional modern sofa range bursting with classic Ercol flair. Its soft flowing arms and tapered legs are made through a mix of traditional methods and modern techniques, with the solid ash frame being steam-bent by hand. Deep cushioning ensures the range is comfortable as well as stylish. The range is available in a painted or clear matt finish. Choose among the many fabrics the Ercol Collection has to offer to create a retro classic or a modern masterpiece. In 2016, the Marino chair and sofa were awarded the Furniture Makers' Company Design Guild Mark for excellence in furniture design.
