

Ercol Teramo

The Ercol Teramo dining range is a stunning modern collection crafted from beautiful natural pale oak. Influenced from classic 50's Ercol design the crisp lines and overhanging tops on the cabinet pieces bring subtle retro overtones. All of the pieces in the Teramo collection also feature classic elements such as tapering legs and all drawers feature dovetail joints. The Ercol Teramo range is extremely flexible with two extending dining table sizes and two styles of dining chairs. This allows the creating of a more casual or modern look. The Teramo also features two sideboard options, a coffee table and two display units.
