

TEMPUR Hybrid Elite

Designed to offer a quick response, Tempur Hybrid Elite is a 25cm mattress offering both springs and memory foam for the utmost support. The first layer is 4cm of Advanced Tempur material, a slightly firmer material to relieve pressure and conform to your shape. 8cm of Dynamic Support Technology allows for ease of movement, while 10cm of Precision micro coil springs are individually pocketed to maximize support and react to your movement. Finally, DuraBase Technology completes the package by offering extra support and ensuring the longevity of the mattress. The Tempur Hybrid Elite mattress features a super soft cover which can be unzipped and aired or washed at 60°C. It also has a 10 year guarantee on it for your peace of mind.
