

Alder 800

Made in the UK, the Alder 800 no turn mattress features 800* pocket springs and a soft knit top to provide comfort while you sleep. Its firm tension is a great option for back and stomach sleepers, providing plenty of support to keep your body correctly aligned. The mattress is low maintenance, requiring no turning, and has handles for easy rotation. It is traditionally tufted with a vertical damask border. The Alder 800 is available in all standard UK sizes, including super king, king, double, small double and single. *based on 5'0 kingsize divan
