

## Layla

The contemporary Layla sofa range is inspired by the Scandi look and features fun, eye-catching geometric accents. The sturdy screwed and glued frame use responsibly sourced FSC wood, with hardwood in all load-bearing areas for strength and stability. Cold cure moulded foam seat cushions offer a firm sit while the copper wash seat springs boost durability. 10 year structural and cold cure seat guarantees provide complete peace of mind. The sofas are available with a standard back or a scatter back to suit your comfort and come with a choice of fabrics. Choose between the Country Oak and Brushed Steel foot for that perfect finishing touch.
