

TEMPUR Cloud Supreme

The Tempur Cloud Supreme mattress offers a softer feel but provides all of the comfort and outstanding support you would expect from a Tempur mattress. Designed with three individual layers the top layer is a 5cm Tempur Extra soft material, which provides the soft and comfortable feel the minute you lie down. The second layer is a 5cm Tempur support material which provides the support your body needs, by reacting to your shape, weight and distributing pressure across the mattress. The third layer of the mattress is the Tempur 11cm Durabase designed to cushion and cradle you as you sleep, while conforming to the shape of your body. The result a luxurious, soft and supportive mattress, which allows you to wake up feeling refreshed and ready for the day. Each Tempur Cloud Supreme mattress comes with a 10 year guarantee and a quick refresh removable and washable cover.
