

TEMPUR Original Elite

The 25cm of the Tempur Original Elite mattress offers a firmer feel that's perfect for achieving a luxurious yet supportive night's sleep. Topped with 3cm of the original Tempur Comfort material, it's designed to conform to your unique shape while also absorbing your partner's motions, leaving you to have an undisturbed rest. Beneath that is 9cm of Tempur Support material, offering the firmness your body needs and distributing your weight across the mattress. Finally, two separate layers with 6.5cm of Durabase technology each work alongside the other layers not only to provide the utmost support, but to ensure the mattress' longevity. For those in need of a firmer and supportive mattress, the Tempur Original Elite is a wonderful choice. Each Tempur Original Elite comes with a washable cover that is easily removed for hygiene purposes as well as a 10 year guarantee.
