

TEMPUR Original Luxe

With 30cm of supportive comfort, the Tempur Original Luxe is a sumptuous mattress offering a firmer feel. Topped with 5cm of the original Tempur Comfort material, it's designed to conform to your unique shape while also absorbing your partner's motions, leaving you to have an undisturbed rest. Beneath that is 9cm of Tempur Support material, offering the firmness your body needs and distributing your weight across the mattress. Finally, two separate layers with 8cm of Durabase technology each work alongside the other layers not only to provide the utmost support, but to ensure the mattress' longevity. For those in need of a firmer and supportive mattress, the Tempur Original Luxe is a wonderful choice. Each Tempur Original Luxe comes with a washable cover that is easily removed for hygiene purposes as well as a 10 year guarantee.
