

Oakmore

In the Oakmore range, classic vintage appeal bonds beautifully with blissful relaxation. Pin tuck detailing and soft, squidgy arm pads maximise comfort by giving the Oakmore additional bounce - a stylish antidote to a stressful week. Angled legs give the Oakmore contemporary shape while slim, squared off arms allow it to squeeze into smaller lounges easily. Made with sustainably sourced solid hardwood and filled with a super soft combination of feathers, foam and fibre, the Oakmore is available in natural leathers with either weathered oak or dark wood feet.
