

## Hypnos Serenade Supreme

As with all Hypnos beds, the Serenade Supreme no turn divan is handmade by master craftsmen intent on delivering tailored comfort to your bedroom. The 150cm mattress features over 1800 ReActive pocket springs which distribute your weight evenly, promising an outstanding night's sleep. Each individual spring acts independently, responding to your body shape and providing the support you need. Medium or firmer comfort levels are available, which are especially well-suited to back sleepers and stomach sleepers. The Hypnos Serenade Supreme is upholstered with layers of luxurious hair, finest cashmere, Talalay latex and wool. These are covered with soft and silky Belgian damask. It is hand tufted for additional longevity and features three rows of hand side-stitching, providing further edge-to-edge support.
