

## Natuzzi Editions Astuzia

The Natuzzi Editions Astuzia provides smart support and compact comfort, all with Natuzzi's signature style. The Astuzia Zero-Wall system allows the seats and backrests to move in such a way that no wall space is required behind the sofa, conserving valuable space. Cubicomfort Triple-Motion technology allows everyone to adjust their seat cushion, backrest, footrest and headrest to the most comfortable position for them. Plug your devices into the range's convenient USB ports, and enjoy the Astuzia's recline functions and excellent lower back support. Available in over 100 colourways, the Astuzia modular sofa range can be tailored to suit your home.
