

Vi&045Spring Tiara Superb

At the heart of this superb bed are two layers of pocketed springs, deeply upholstered with long stranded South American horsetail, real Shetland wool and cotton making the Vi-Spring Tiara Superb exquisitely comfortable. The mattress has 1.42 mm wire springs, 60 mm in diameter, with a spring count of *2,242 Vanadium steel pocket springs sewn in individual calico pockets and hand formed into a honeycomb-nested unit. Constructed with two layers of springs. These are then upholstered with bonded British fleece wool and cotton, then hand-teased long-stranded horsetail blended with real Shetland wool and enclosed in a hair-proof cambric cover and overlaid with a layer of blended real Shetland wool and cotton, covered with your choice of finest quality Belgian ticking from the Vi-Spring collection and finished with hand-tufted hand-tied woolen tufts and twine.
