

Edmonton

The Edmonton leather sofa range boasts bigger dimensions, ideal for larger lounges and providing plenty of space to spread out and relax. A chair and two sofa sizes are available, allowing you to select the best combination of seating for your living space. A handy storage stool controls clutter and offers a place to put your feet up. The Edmonton range comes in Grand Outback, Vintage and Dakkar aniline leathers. Natural variations in the leather result in a unique grain, irregularities and non-uniform coloration, ensuring that every piece has its own distinctive character.
