

Harrison Chester 5200

Handmade in Britain, the Harrison Chester 5200 has 100% natural cotton, flax, hemp and wool fillings for a luxurious feel. While flax boasts unique anti-bacterial properties for a more hygienic night's sleep, cotton and hemp's moisture absorbing properties keep the body cool. Wool helps the body to regulate temperature thanks to its excellent breathability. Its 5000 Microlution Airflow and pocket spring system provides plenty of support for a comfortable night's sleep. The Harrison Chester 5200 is available in soft, medium and firm tensions, as well as soft medium and medium firm on larger models. This means you can select the best mattress for your personal sleeping position, keeping aches and pains at bay. The mattress is also lower maintenance, since it requires no turning.
