

Harrison Ely 8000

The Harrison Ely uses 100% natural fillings and boasts an Ultra spring system for sumptuous comfort. Cooling cotton and breathable wool fillings help the body to regulate temperature. Meanwhile, flax provides a more hygienic sleep environment with its unique anti-bacterial properties. The mattresses come in a range of tensions, including soft, medium and firm, plus medium firm and soft medium for kingsize and super kingsize beds. This means you can tailor the bed exactly to your support requirements, reducing the risk of aches and pains and resulting in better quality sleep. Since the mattress is turn free, it is also easier to maintain.
