

Harrison Wells 13000

The Harrison Wells 13000 turn free mattress provides optimal comfort thanks to its Posturfil, HD spring, 5000 Microlution and Ultra spring system. The mattress uses 100% natural fillings of alpaca, cotton, Egyptian cotton, kapok and wool. The wool makes the mattress more breathable, while cotton and alpaca help to wick away moisture - an excellent choice for warm sleepers. Soft, medium and firm tensions are available, so you can choose the option that supports you best. Finally, the mattress is turn free, requiring less maintenance.
