

Harrison Hereford 16500

The Harrison Hereford 16500 seasonal turn mattress uses 100% natural fillings of cotton, wool and flax for a luxurious night's sleep. Cotton has fantastic cooling properties and while wool is breathable, helping to naturally regulate body temperature. Finally, flax's unique antibacterial properties offer a more hygienic sleep environment. The mattress has a 5000 Microlution, Posturfil and Revolution spring system to optimise comfort. The Harrison Hereford 16500 is available in soft, medium and firm tensions, plus soft medium and medium firm on king and super king mattresses. This means you can choose the most suitable option for your sleep position, resulting in better quality sleep as well as fewer aches and pains.
