

Harrison Lichfield 19200

The Harrison Lichfield 19200 seasonal turn mattress boasts a 5000 Microlution Airflow and Revolution spring system for superb comfort. The range includes 100% natural fillings of alpaca, Egyptian cordon, hemp, kapok, mohair and wool. Hemp is ten times more absorbent than cotton, making it excellent at wicking away moisture for a fresher and cooler night's sleep. Wool is springy, supportive and breathable, making it not only comfortable but great for regulating temperature. Mohair gives the mattress a luxurious feel. The mattress comes in a selection of tensions to suit all sleep positions, including soft, medium and firm. Soft medium and medium firm tensions are also available on king and super king sizes, so you can tailor the mattress to your comfort requirements.
