

Chantelle

The Chantelle combines warm tonal texture with soft but glamorous metallic hues - ideal for achieving that leather look. Hand buttoning and studding detail add the perfect finishing touch. The frame features solid hardwood rails and is glued and stapled to provide ample support, while the seat and back cushions are fibre-filled for a softer sit. Feather-filled bolsters and pillows provide exceptional comfort. The Chantelle comes in a choice of two gorgeous looks, with either Nickel or Antique studs and an Antique Wood leg finish. The bolsters come in one of five bold and eye-catching colours, or can be purchased in the same fabric as the body of the sofa. Both pillow back and standard back styles are available.
