

G Plan Elliot

The G Plan Elliot offers sumptuous contemporary comfort with its deep, soft seats and panelled back cushions. Foam filled seat cushions are supportive while fibre-filled back cushions are perfect for relaxation. The top stitch adds a touch of decoration, while a selection of wooden foot colours means you can tailor the sofa to your existing furnishings. The range comes in cosy fabric or smart leather in a selection of colourways. The range includes chairs and sofas in static, manual reclining and power reclining options. A handy stool or storage stool completes the collection. Power reclining models are button operated and include a handy integrated USB charging point for added functionality and convenience. As with all G Plan products, the Elliot comes with a 10 year frame and seat spring guarantee, as well as a 2 year guarantee on recliner mechanisms for added peace of mind.
