

## Sleepeeze Balance 1200

The Sleepeeze Balance 1200 PocketGel mattress has a Staycool gel layer which channels away body heat, making it ideal for warm sleepers. Gel, pocket spring and reflex foam layers provide support and distribute body weight evenly. A quilted knit cover makes the mattress breathable, helping to regulate body temperature. Being single-sided, the mattress does not require turning, making it easier to maintain. Handmade in Britain, the Sleepeeze Balance 1200 comes with a 7 year guarantee for total peace of mind.
