

Sleepeeze Poise 3200

Handmade in Britain, the Sleepeeze Poise 3200 PocketGel mattress provides excellent body support with a combination of SoftTouch and SoftTech pocket springs, as well as a layer of reflex foam. The mattress's layer of Staycool gel keeps you cool during the night by channelling away excess body heat. This makes it a fantastic choice for anyone who gets too warm in bed. The mattress's medium tension makes it a versatile choice, regardless of your sleeping position, while the pillow top adds an extra bit of comfort. A 7 year guarantee allows you to sleep easy.
