

Hypnos Cadenza

The Hypnos Cadenza pillow top mattress features a ReActive 7-turn pocket spring system, providing total spinal and body support and helping to alleviate and prevent aches and pains. Adaptiv springs adapt to your shape, providing additional support. The Hypnos Cadenza's luxurious cotton, wool and Solotex layer provides plenty of comfort, while the chemical-free cover offers a soft sleep surface. Two rows of hand side-stitching offer edge-to-edge support, and 37.5 active technology helps to regulate temperature and moisture, keeping you cool on warm nights. The mattress is also hand tufted for extended comfort. Finally, the mattress is no turn, making it easier to maintain.
