

## Angelo

The Angelo range has a high back for maximum comfort and an off the floor design for a modern look. Piping on the arms adds interest and decoration. Power recliners in the range include a useful USB port, so you can charge your mobile devices without leaving the comfort of your chair or sofa. The solid wood frame and legs offer plenty of stability, while foam seat cushions and loose fibre back cushions provide support. The range is available in a selection of fabrics and leathers to suit your existing furniture and comes in static and power recliner models.
