

LEE LONGLANDS

Cosmico

Made in Germany to a high standard, the Cosmico wardrobe range comes in a selection of carcass colours and sizes to suit your bedroom. The high polish fronts are available in Brilliant White or Cappuccino for a sleek and modern look. A mirrored vertical door section offers additional functionality. The wardrobes are also available with or without LED lighting, whichever is right for you. The range's fresh wood chipboard is made only from sustainably sourced, pollutant-free small diameter logs and windfall timber, while the surfaces are coated with high quality, easy care furniture decor foil for a superb finish. Drawers are also available with the range, which can be matched to the wardrobes for a uniform look. For added peace of mind, the Cosmico comes with a 5 year guarantee.
