

## Mercier

The Mercier has petite proportions for a smaller footprint, making it great for compact living. Its narrow arms and elegantly tapered light, dark or steel legs raise the sofa from the ground for a less 'weighty' appearance, making the room feel more spacious. The range is also highly comfortable, making for a casual but stylish all-rounder. The Mercier is an excellent option for hosting guests, featuring both standard sofas and sofa beds in its collection. The sofa beds come with a choice of mattress: regal or pocket. The regal mattress is open coil and handmade in the UK, featuring an additional top layer of foam fillings for improved comfort. The pocket spring deluxe mattress is fully reversible with luxury ticking and superior fillings. Finally, the Mercier comes with a 10 year structural guarantee and a 10 year cold cure seat cushion guarantee for complete peace of mind.
