

## Ercol Salina

The Ercol Salina bedroom range is brimming with contemporary style with its whitewashed stain and clear matt lacquer finish. Made from ash and ash veneers, the pale coloration helps to open up the room, while the woodgrain, visible through the stain, offers a more textured appearance. The Ercol Salina includes various chests of drawers and bed sides so you can mix and match your storage. Each of these pieces includes a useful tray top, preventing items from rolling over the edge. Vanity drawer inserts on select items, such as the dressing table and 8 drawer tall chest, introduce more versatility. The headboard and dressing table stool are upholstered in a matching soft grey toned fabric, which beautifully complements the wood finish.
