

Sleepeeze Cooler Seasonal 1000

Made in the UK, the Sleepeeze Cooler Seasonal 1000 turnable mattress has a warm side and a cool side to ensure a great night's sleep all year round. The Staycool Gel helps to regulate body temperature and works with the 1000* pocket springs to adapt to your contours and body weight, offering excellent support. The summer side features a Cool-Touch quilted cover, providing a surface that is cool to the touch. The winter side has a warmer knitted cover perfect for keeping warm in winter. Enhanced support is provided by a layer of high density polyester, while chrome vents improve breathability, allowing air to flow freely through the mattress. The flag-stitched handles are extra strong, making it easy to turn and manoeuvre the mattress. Finally, the Sleepeeze Cooler Seasonal 1000 comes with a 7 year guarantee for perfect peace of mind. *in kingsize mattress
