

Natuzzi Editions Brama

Available in a wide selection of leathers, the modern Natuzzi Editions Brama range includes fixed, motion and electric motion models to suit your requirements. Foam fillings in the arms, seat cushions and back cushion provide a firm and supportive sit. Chairs and sofas with CUBICOMFORT Triple Motion Technology allow you to independently adjust the seat, footrest, backrest and headrest to the millimetre, so you can find the most comfortable position for you. A helpful 'home' button moves the chair from a relaxed position to its original position in one smooth movement.
