

## Narvik

With its angled legs and spindle back chairs, the Narvik dining range brings a Scandi twist to farmhouse dining. A brushed texture, matt lacquer finish brings out the beautiful grain of the European oak, while grey painted dining chairs add a splash of contrast. The range includes two chevalet dining chairs and a bench so you can select the best seating option for your kitchen or dining room. Several pieces of storage furniture are also available for the dining room and the living room, including a three door sideboard, bookcase, coffee table, console table and side table.
