

## Charlotte

The Charlotte fabric sofa collection fuses Scandi style with urban chic. Its track arm and plinth create sleek lines for a contemporary feel. Its frames are made using FSC certified wood for sustainability. For added strength, they are screwed and glued and use hardwood in all loadbearing areas. Copper wash seat springs and cold cure moulded foam seat cushions are durable and comfy, providing a firm sit. Several sofa sizes are available as well as an armchair, accent chair, ottoman stool and storage stool. The range comes in a selection of chenille plain fabrics and bold accent fabrics that are well-suited to the contemporary home. The plinths and legs are available in a Weathered Oak or Brushed Aluminium finish. A 10 year structural guarantee and 10 year cold cure seat cushion guarantee provide total peace of mind.
