

Hamilton

A contemporary twist on a classic style, the Hamilton sofa range boasts super soft fillings of feather, foam and fibre, snug fabric seats and luxurious natural leathers bursting with character. Designed in Britain, the range is handcrafted from the finest materials and its solid hardwood frame is sustainably sourced. The Hamilton comes with a choice of Weathered Oak, Dark Wood or Black Wood feet and either Pewter or Antique studs. The range also comes as either a scatter back or a standard back to suit your style.
