

Ercol Enna

Relax in modern style with the Ercol Enna sofa collection. The Enna's high back, padded arms and shorter seat depth provide total comfort, while its foam-filled fixed seat cushions offer a firm sit. The back cushions are zipped to the back at the top of the frame, helping to maintain their shape and increase their longevity. Part of the integral frame, the range's solid oak curved legs boast classic Ercol appeal and are finished in an attractive clear matt finish. The Enna comes in static and power recliner options, with power options featuring an integrated USB charger. The range comes in Paloma fabric or leather to suit the interior of your home.
