

## Dallas

Introducing the Dallas Range Experience a perfect blend of style and hygiene with the Dallas range at Lee Longlands. With a sleek design featuring ribbed backs and matte black legs, these chairs are not only visually appealing but also incorporate antimicrobial technology into the lacquers, paints, and upholstery. This innovative feature helps reduce surface bacteria, ensuring a cleaner and safer dining experience. Versatile Options for Every Space The Dallas range offers a variety of seating options to suit different needs. Choose from the Dining Chair, Counter Height, Counter Stool, or Side Chair, each designed with comfort and style in mind. The ribbed back detailing adds a touch of elegance, while the sandy black legs provide a modern and sleek look. Additionally, the legs can be customized to other RAL colors, subject to production of sufficient quantities in the project, allowing you to create a personalized aesthetic.
