

Windsor Elite

The Windsor Elite adjustable divan base comes with a bolt-on RF massage unit as standard, featuring a choice of Pulse, Wave and Constant options to suit your comfort requirements. The remote includes a backlight and torch, plus a memory motor to store your preferred pre-set positions. The under-bed light makes it easier to orient yourself when getting up in the night. Tension sliders allow you to adjust your level of lumbar support. The base comes in a selection of attractive fabrics to blend seamlessly with your furnishings.
