

Ercol Lugo

The Ercol Lugo dining range presents stunning mid-century Nordic design with a dark stain and exposed tenon joints for an elegant and distinctive look. Tapered legs and shadow gaps give the tulipwood tables their gorgeous angular shape, while the ash curved back armchair and slat back dining chair can be mixed and matched to create a stunning contrast in your dining room. The range includes an extending table and a small dining table, perfect for compact living, as well as occasional and storage pieces. Each of the three occasional tables features a slatted shelf for stylish extra storage.
