

Ercol Monza

The Ercol Monza dining collection contrasts a textured Patina Oak finish with black painted legs and frames to really make a design statement. The woodgrain and beautiful herringbone patterned door and drawer fronts are accentuated by a clear matt lacquer finish. Tapered legs and spindle shelves add a sense of lightness to the range. Made from oak and oak veneers, the Ercol Monza dining range includes two extending tables, the smaller of which is perfect for compact living, as well as a selection of storage pieces. The universal cabinet is a particularly versatile storage option and is suited to either downstairs or upstairs use.
