

Eros

Made in the UK by highly skilled craftsmen, the Eros modern fabric sofa collection is a stunning centrepiece for a contemporary living room. The range comes in a selection of stylish fabrics and gorgeous velvets and is accompanied by metal feet in a polished chrome or opulent brushed gold finish. A selection of colourful, extravagant accent fabrics add the perfect finishing touch. FSC certified wood frames feature hardwood in all loadbearing areas and are screwed and glued for additional longevity. Like the frame, the comfortable cold cure moulded foam seat cushions come with a 10 year guarantee, providing total peace of mind.
