

Harrison Royale 25000

The Harrison Royale 25,000 has luxurious fillings of cashmere wool, silk and wool blends, Egyptian cotton, and mohair blended with flax. Cashmere and silk are soft and highly resilient, increasing the longevity of the mattress. Absorbent cotton and Egyptian cotton help to keep the body cooler and fresher by wicking away moisture. Wool is breathable and springy, providing excellent support. The luxurious fillings synergize with the Cortec Revolution Spring system providing unrivalled support and comfort. The mattress is also a seasonal turn, meaning during the colder months the warm side helps retain heat, while the summer side helps keep you cool during those hot summer nights! The mattress is available in soft, medium, and firm tensions, so it can be suited to your comfort needs and sleep position. The divan is available in all standard sizes and different heights. With a large choice of fabrics to help create the perfect centrepiece for your bedroom.
